Through our affiliation with the Federation of Pharmacy Networks (FPN) we have three sources for flu vaccine:

FFF Enterprises: Merck, Novartis and Sanofi product

Vaxserve: Sanofi product

Insource: GSK and Novartis product

Notes:

Both multi-dose vial and prefilled syringe product is available

All three companies allow cancellation and modification of the pre-book order

Vaxserve has a shipping guarantee and will take returns if 75% of pre-book order is accepted per pharmacy
