

USP 800 HAZARDOUS DRUGS COMPLIANCE PROGRAM

The deadline for pharmacies to comply with USP 800 is December 1, 2019, in most states. All pharmacy operations are affected in those states. We have already made the work to comply easy for over 200 pharmacies! Are you ready? We can help!

Northeast Pharmacy Service Corporation (NPSC) has prepared a USP Compliance Package for pharmacies that compound with NIOSH drugs and one for pharmacies that do not compound with NIOSH drugs.

Each package includes:

- The required Steps for Compliance
- The required forms to comply including: Templates of Standard Operating Procedures for receiving, dispensing and storing drugs, etc.
- Risk assessment form(s)
- Employee training Program
- Designated pill counting tray
- Hazardous Drugs shelf Labels

Ordering options:

Price: \$750.00

1. Call NPSC at 800-532-3742 or email Susan@northeastpharmacy.com
2. Complete the following order form and fax it to NPSC – 508-875-6108

This compliance package is available for retail pharmacies whether you compound with NIOSH drugs or not. Please indicate below which package your pharmacy needs.

Pharmacy Name: _____
Address: _____ _____
Contact Person: _____ Phone number: _____
<input type="checkbox"/> My pharmacy does NOT compound with NIOSH drugs
<input type="checkbox"/> My pharmacy does compound with NIOSH drugs

Make checks payable to Northeast Pharmacy Service Corporation. Contact Susan for more payment options.
