Why choose Auburn ?

- Auburn makes ordering pharmaceutical products very easy
 - Minimum shipment for free ground/2day \$75
 - Overnight delivery M-F \$150 minimum shipment
 - Saturday delivery available upon request
 - Order cut off is 6:30pm M-F
 - Control II cut off is 5pm M-F
- Monthly Rebate paid to pharmacies purchasing as a credit applied to the monthly balance
- Xander Dobreff - Personal service dedicated rep for NPSC
- Protecting your inventory (buy in's offered to loyal customers after price increases happen)
- Bad pay reporting - if you get a bad pay on a product you buy from Auburn give Xander the Payer PCN and BIN associated with the claim and he can report it back to the manufacturer- Auburn doesn't want to carry product that our customers are not making money on
- Our team is dedicated to NPSC participating pharmacies and has over 250 years of combined pharmaceutical industry experience

Additional benefits to NPSC pharmacies

- Access to a full line of controlled substance CII-C5
- Annual buy in opportunity available during January of each year (additional discounts apply)
- Custom price file negotiated for NPSC participating pharmacies
- Auburn Pharmaceutical's support of the NPSC annual trade show
