

ATTENTION STATE EMPLOYEES:

As you know, the new TA contains language that encourages you to go to CVS or to use the CVS/Caremark mail order facility for your prescription needs.

We, the Independent Pharmacies of Connecticut, do not want you to lose your freedom to choose your own pharmacy or to lose the freedom of having a face to face interaction with your pharmacist of choice.

Please be assured that as your unions begin voting on this new TA, we will be doing everything we can to ensure that your FREEDOM OF CHOICE is not taken away from you.

We appreciate your support over the years and are hopeful we will be able to continue to take care of you, your families and our community for many more years to come.

Thank you
